ELAINE'S

G. K. Chesterton's Father Brown may seem a pleasantly doddering Roman Catholic priest, but appearances deceive. With keen observation and an unerring sense of man's frailties—gained during his years listening to confessions—Father Brown succeeds in bringing even the most elusive criminals to justice.

A series based on the character of **Father Brown** began airing on BBC one on January 14, 2013, and now is aired on PBS (Channel 8) primarily using new stories written for the series.

Elaine will discuss the author

G. K. Chesterton as well as show clips from the BBC series.
